

Jen Vette

Jen has always had a keen interest in music and theatrics since her primary school days, always taking part in school productions. In 2004 she joined her partner to create a music duo act and performed around New Zealand at private functions. As acting is one of Jen's passions, she joined the PMH players and took on the role of Josie in the 2015 show 'School Daze'.

Since then she has belonged a few different live music bands and showbands: Black Tie, Shed 24, Bayley & Johnson Live. Her characters include Jen Blues, Daisy Duke among others. She loves to 'act out' and thoroughly enjoys themed parties which invariably means 'dressing up'.

Jen rejoined the PMH players in 2020 and helped write the 2021 show Wanderlost. "It's so great to be back with these adorable people and enjoying every minute!"
