Nicki first heard of the PMH players one night at a Karaoke Bar where she met Sandra Preston who invited her along to the show which she enjoyed so much she decided she would join the players the following year.

West in Jest 2006 was the first show Nicki was in and she has been in every production and joined the Round the Hospital group since then.

Nicki has played many different roles ie a police officer, a prisoner, Aunt Lil and Bonnie from Bonnie and Clyde.

She has loved being part of the PMH Players Family and hopes to continue for many more years.

Nicki's interests include biking, long walks with her Chog (Dexter) and when the weather is cold or wet a great chick flick.
