

Pip Toomey – President

Having been in the audience for several years, Pip Toomey joined the Players fifteen years ago. She has appeared on stage a couple of times, but soon realised that her heart belonged “behind the scenes”.

For several years, she organised the props before graduating to Stage Manager, a position she has held for several years and which she really enjoys. She has been on the PMH Players Committee for many years, firstly, as a committee member and then Secretary.

She took on the President’s role in 2020, with her drive and determination she ensured that the PMH Players were able to put on the 40th Anniversary show “Wanderlost - Round the World for 40 years”.

Her interests include knitting and crocheting for charitable organisations, assisting weekly with crafts at Handiscope,

Aranui Branch and volunteering fortnightly on the reception at the Cancer Society, Christchurch. She is currently on the Board of Trustees at St Peter’s School in Beckenham where her three children attended as well as two of her four grandchildren.
